Human Resources Management

All in a single solution — automate administrative processes to more efficiently manage the moments that matter like hiring, onboarding, benefits administration, and performance. Engage with employees, control costs, and reduce compliance risk.

Your Colors Here!

Engaging the Modern Workforce

From pre-hire to retire, our solutions are designed to **meet the needs of all worker types** – salaried, hourly, contract, and beyond

This all leads to an HR department focused on providing an experience that helps your employees **work inspired**.

Talent Acquisition

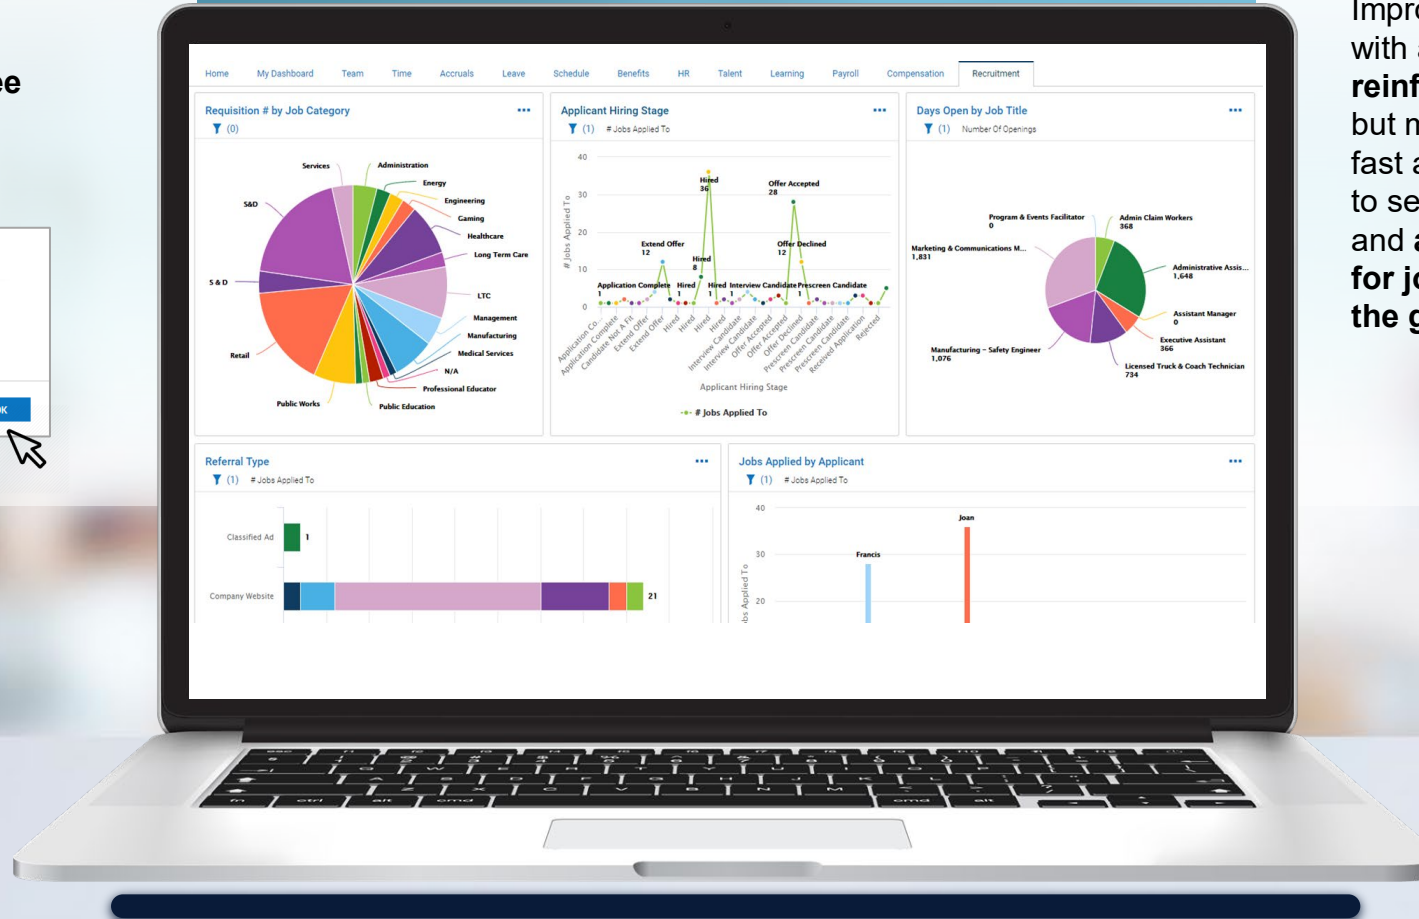

Effectively Source, Track, and Evaluate Talent

Applicant information **flows seamlessly into the employee record** upon hire for reduced administrative effort.

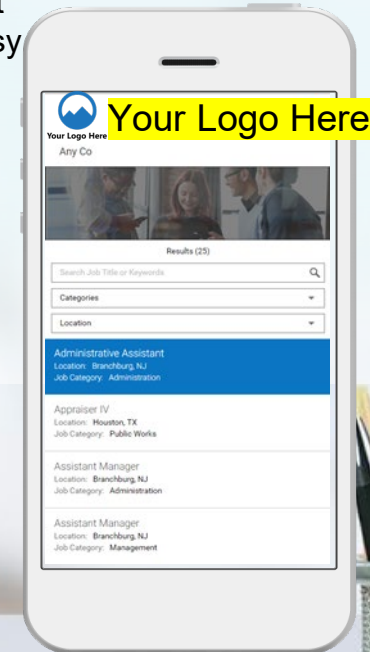

Hire This Applicant

Please select Job Application if you want to hire the applicant to a specific job.

Job Application:  

Improve the candidate experience with an applicant portal that not only **reinforces your employer brand**, but makes it fast and easy to search and **apply for jobs on the go**.

With an easy-to-use experience for candidates and hiring managers, our automated solution helps your teams **recruit, screen, track, hire, and complete employee verification** of best-fit candidates — to build a more engaged and productive workforce.

Succession Planning

Identify and Develop Top Talent

Easy-to-use, drag and drop talent matrices ensure succession plans are automatically updated for real-time accuracy – helping you understand your talent, identify high performers, and determine the right development opportunities.

Easily create matrices and talent pools based on key data points such as performance, readiness, potential, risk and impact of loss, as well as custom metrics.

Create up to 100 configurable charts and graphs for **at-a-glance visibility** into succession plan details.

In today's tight labor market, talent retention and mobility are critical. Our interactive succession planning tools enable organizations to easily develop a pipeline of talent, create career paths, and build bench strength – to **better engage and retain top talent and ensure business continuity.**

Learning Tools

Train New Hires and Develop Existing Talent

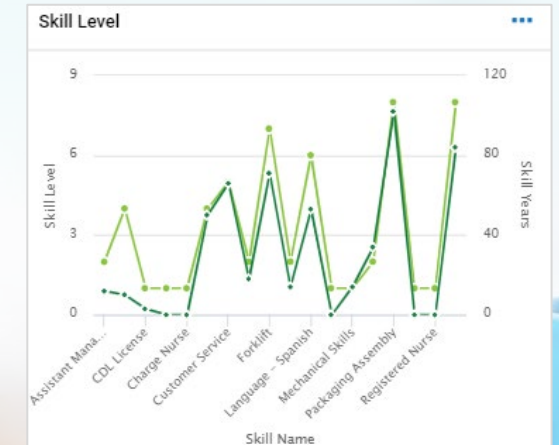

Combined Company Cost (\$) by Course

Manage required certifications and training, track course registration and enrollment, schedule learning activities, and monitor progress – ensuring you have the right employee in the right place at the right time, with the right training.

Build a learning plan in the solution by assigning individual employees or work groups to relevant training material. Easily track and analyze outcomes to ensure learning targets are met.

Manage the delivery of employee training, from administration and registration to content delivery and tracking to **enhance employee development and maintain productivity.**

Your Colors Here!

Onboarding

Deliver a Consistent and Engaging Onboarding Experience

Onboarding checklist interface showing a list of tasks to complete. The tasks are: My Form I9s, My Form Withholding, My Direct Deposit, Read Code of Ethics Handbook, Please complete the Training Course, Two Weeks After Hire (2), Verify Orientation Attendance, and Benefit Enrollment. The progress bar indicates 50% completion.

An **onboarding checklist** ensures key includes items to complete such as I9, W4, Direct Deposit, Benefit Enrollment that can be assigned to different users during the process.

Onboarding dashboard for Bob Brooks. The dashboard shows a progress bar for the New Hire process, which is 86% complete (6 out of 7 items). The tasks are: My Form I9s, My Form Withholding, My Direct Deposit, Read Code of Ethics Handbook, Please complete the Training Course, Two Weeks After Hire (2), Verify Orientation Attendance, and Benefit Enrollment. The progress bar indicates 50% completion. The dashboard also shows a section for My Form I9s, which is completed on 04/06/2017. The section includes a filing an I9 form instruction and a link to view I9 forms. The completed by field is Francesca Amato, and the completed on field is 04/06/2017.

Allow new hires the **flexibility** to **address important items**, such as new hire enrollment, with their family in the comfort of their home or **on the go**.

Mobile app interface showing the My Benefits section. The section includes a link to View Benefits, a Continue Open Enrollment button, and a progress bar for the enrollment process, which is 14% complete. The current benefits section shows ESS Hourly with 3 selected. The interface also includes a Life Change Event button.

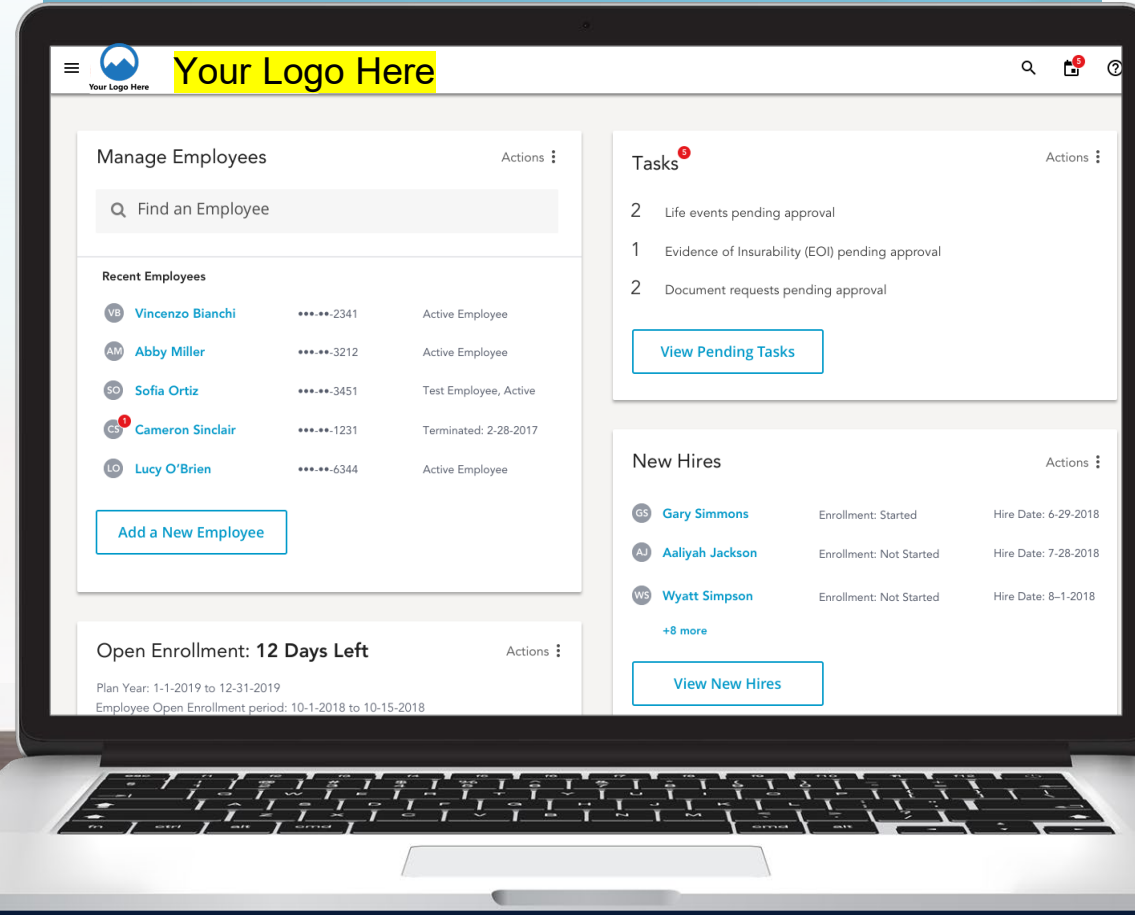

Don't let confusing, inconsistent processes; stacks of paper forms; and limited resources make your new hire's first day not the best day. An effective approach to onboarding can lead to **better new employee retention, reduced turnover, and faster time to productivity.**

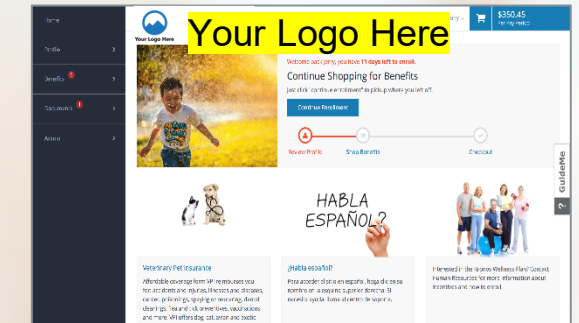

Your Colors Here!

Benefits Management

Benefits Covered from Start to Finish

With a modern, mobile-friendly experience and customizable tools and educational content, employees easily understand their options and make the right choices based on their unique needs through comprehensive education and **personalized recommendations.**

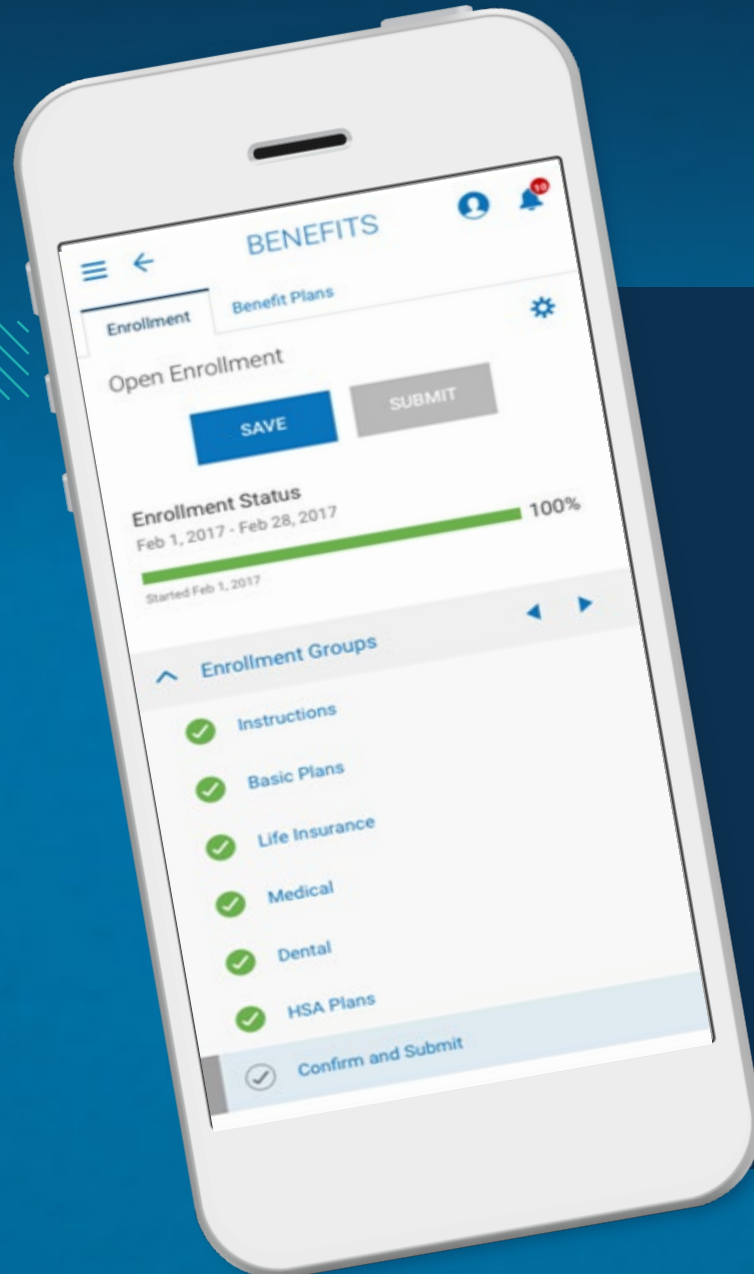

Administering benefits can be complicated, and costly for employers when not done right. To facilitate benefits education and communication, manage eligibility, automate enrollment, manage carrier billing, and adhere to Affordable Care Act (ACA) requirements - **organizations need technology.**

Your Colors Here!

Benefits on Mobile

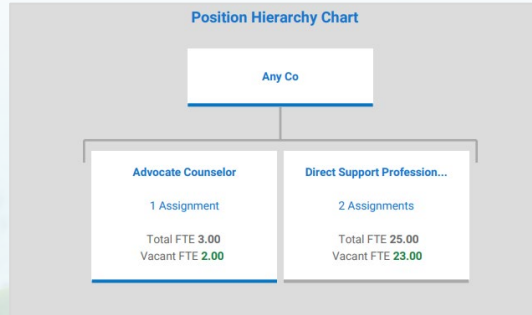

View and enroll in benefits, see detailed information on benefit plans, and even fill in questionnaires all from a **mobile device**.

Position Management

Manage Your Workforce, Your Way

Flexible position hierarchy charts streamline administration and ensure accurate tracking of employees assigned to multiple positions that may require different pay rates, funding sources, allowances, time off, benefits, and deductions for different positions.

Easily accessible, real-time reporting and analytics provide visibility into time allocation, budget forecasts, current staffing levels, and available funding for positions.

Unlike a job-based system, position management tools separate individual employees from their job roles and definitions to give organizations the flexibility to **more efficiently and accurately manage their organization's structure, including headcount and labor costs.**

Payroll Management

Simplify your payroll processes, eliminate errors, and provide a best-in-class employee experience with our automated payroll solutions. Reduce processing time, ensure compliance, and create the perfect paycheck by **managing time, tax, and pay in a single, unified solution.**

Deliver the Perfect Paycheck Every Time

Automated, accurate processing, end-to-end services, embedded compliance, and transparent employee self-service tools.

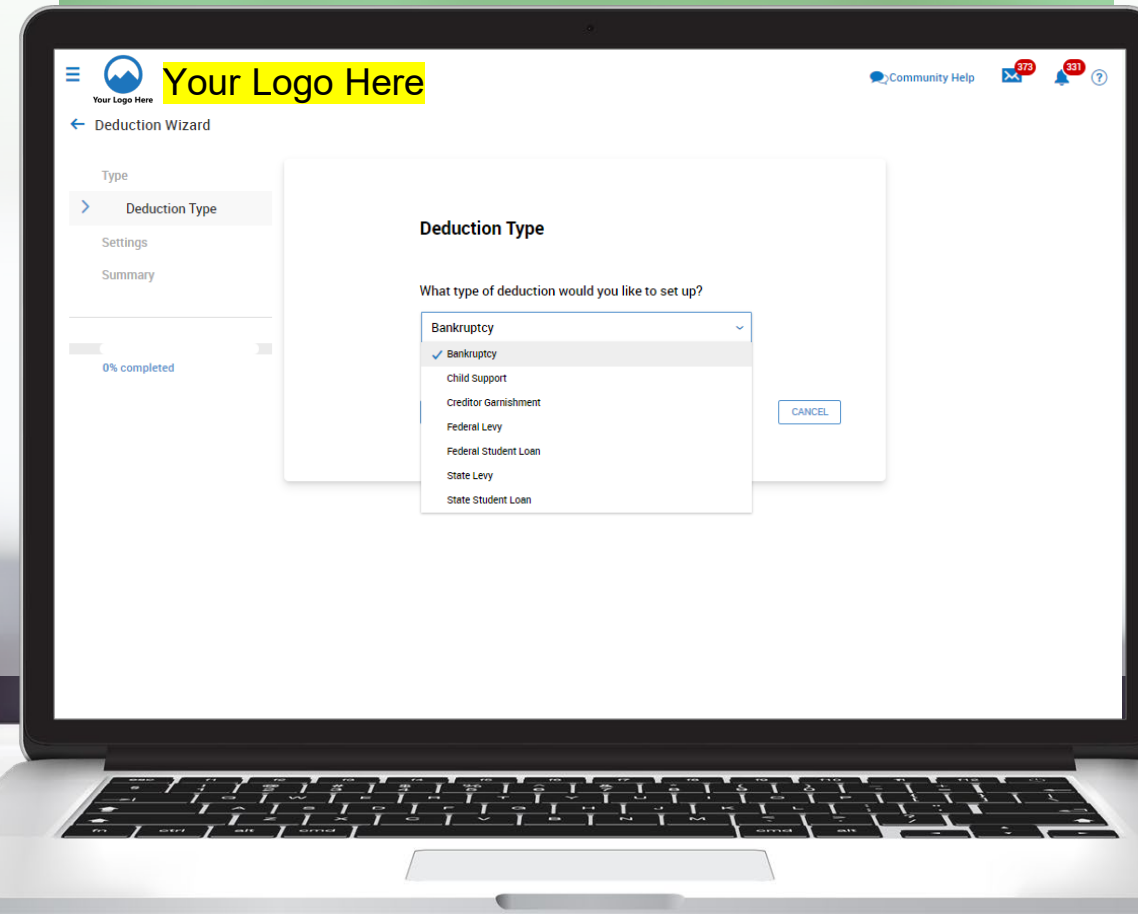

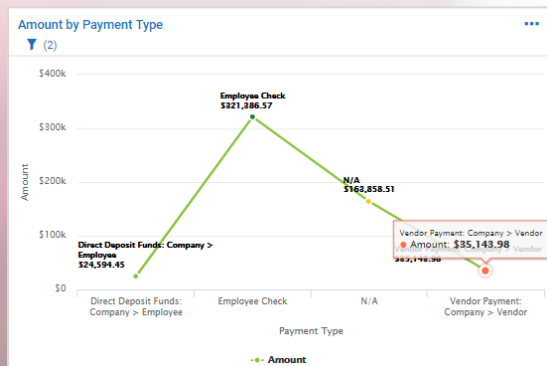

A reliable payroll foundation **builds lasting trust** between you and your employees while also boosting efficiency.

Payroll

Control Costs and Compliance Risks while
Improving Efficiency

With **unified HR, Time and Attendance, and Payroll** you have the power of a single source of truth – allowing your people to make more informed business decisions in the moment. Charts and graphs help make sense of all your data too.

Access **comprehensive, real-time reports** such as this Payroll Recap and Funding report. Users can run any payroll report in the system with the “to-date” range they choose.

Our automated payroll solutions **simplify your payroll processes**, empower employees with self-service features, and improve paycheck accuracy. Reduce processing time with paperless
Your Colors Here!ize risk, and create the perfect paycheck with instant access to reports and real-time data.

Payroll Services

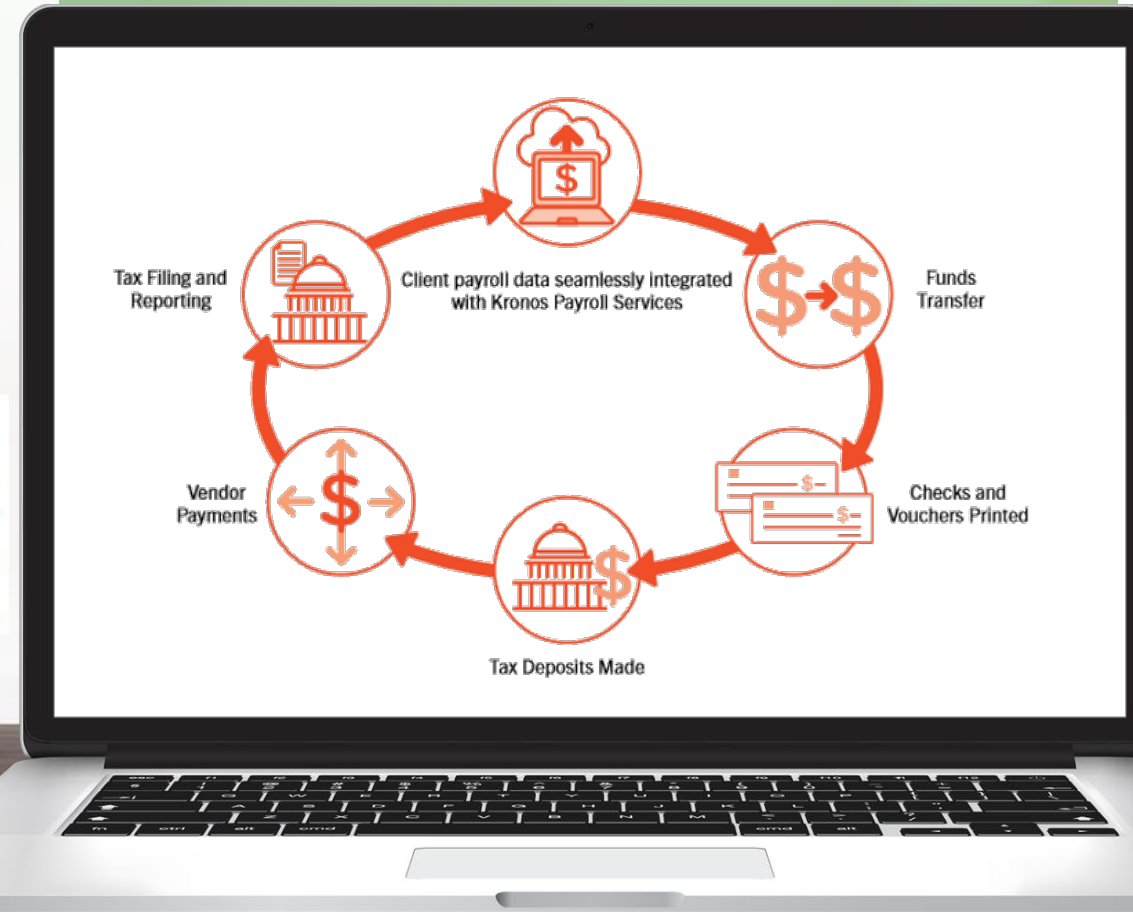

Streamline Tedious and Complex Post-payroll Processing Tasks

Payroll Services use quarterly updates from thousands of federal, state, and local codes to **manage your compliance across multiple tax types and jurisdictions.**

Computation and filing errors are avoided by factoring in requirements for multi-state taxing and reciprocity, taxation wage accumulation, and withholding.

Recap

Kronos Payroll Services Del	Date	Bank Account #	\$ Amount
Tax Payment	12/12/2017	xxxxxx2906	5,531.02
Empl. Dir. Dep. SPA	12/12/2017	xxxxxx2906	15,603.38
Total Debits			21,134.40
Cash Requirements: xxxxxx2906			\$ Amount
Tax Payment			5,531.02
Empl. Dir. Dep. SPA			15,603.38
Total			21,134.40

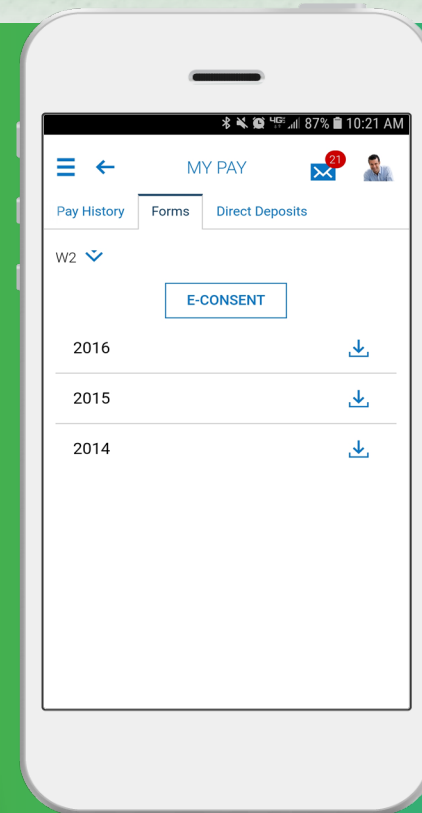

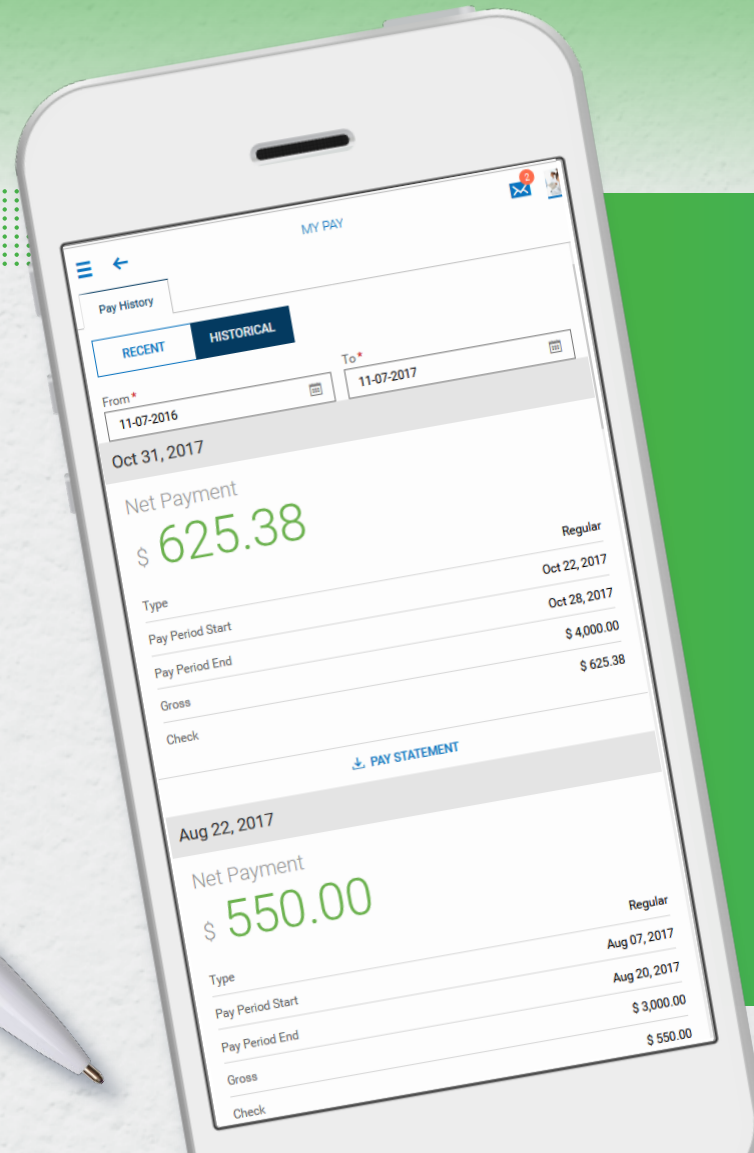

Your entire payroll process needs to run smoothly, even at distribution. This stage is often overlooked — and costly. **Eliminate the labor-intensive work** of printing and distributing checks, direct deposit vouchers, and year-end tax forms such as W-2s and 1099s.

<Your Name> Payroll includes services such as payroll tax filing, garnishment processing, and distribution of checks — giving you a great payroll software *AND* outsourced service with the **ease and convenience** of working with a single vendor.

Workforce Management

An automated, accurate workforce management system that helps boost employee productivity while giving **real-time insight into labor data.**

Your Colors Here!

Building A Strong Foundation

Efficient processes to manage your diverse workforce in an intuitive, engaging way while controlling labor costs and lowering compliance risk

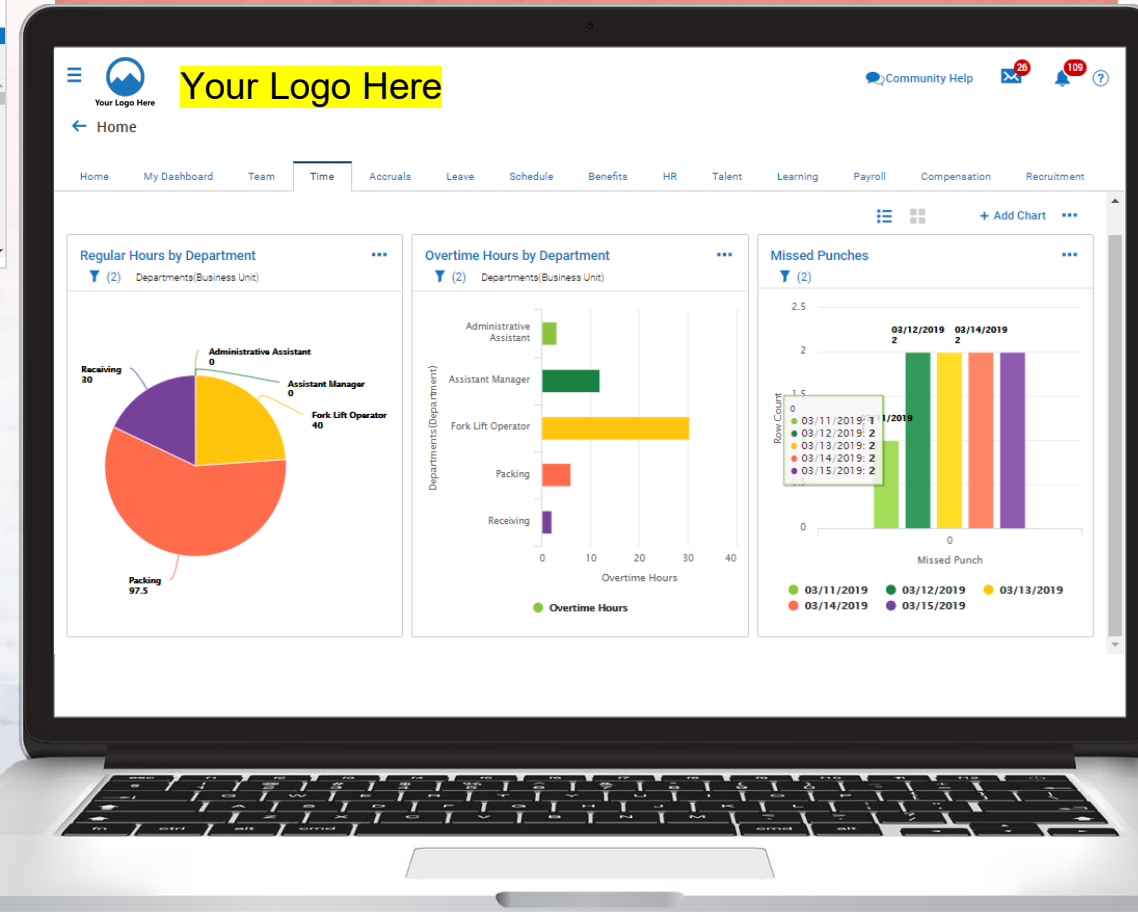

The result? You can now spend your **time engaging with your teams** and achieving business goals instead of just keeping the lights on.

Time and Attendance

Control Labor Costs With Automated,
Accurate Time and Attendance

To Do Type	Description	Created
Workflow: Timesheet	Employee: Margaret Hays (51) Pay Period: Weekly Pay Cycle Date: 03/04/2019 - 03/10/2019	03/11/2019 05:29H
Workflow: Timesheet	Employee: Rita Hays (53) Pay Period: Weekly Pay Cycle Date: 03/04/2019 - 03/10/2019	03/11/2019 05:29H

Complete automation eliminates timekeeping errors, while **real-time calculations** help maintain compliance and payroll accuracy.

Confirm employee eligibility for paid and unpaid leave based on vacation, sick time, and other criteria.

Managers are **automatically notified** when employees exceed established thresholds to help ensure compliance.

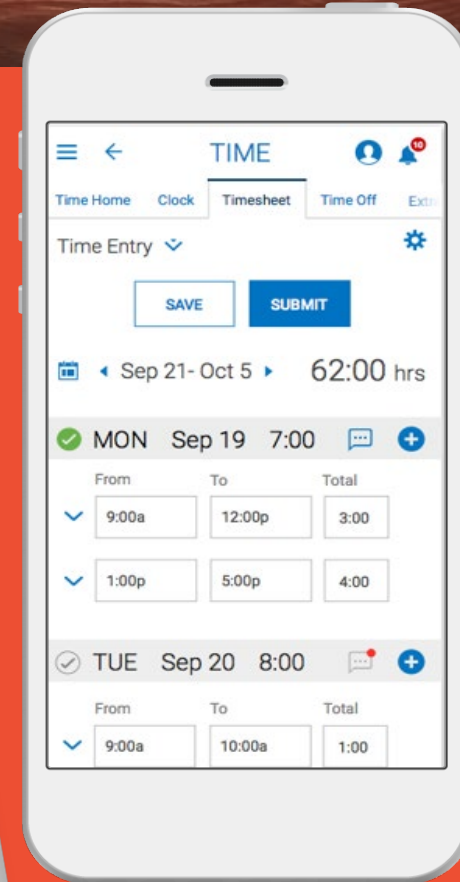

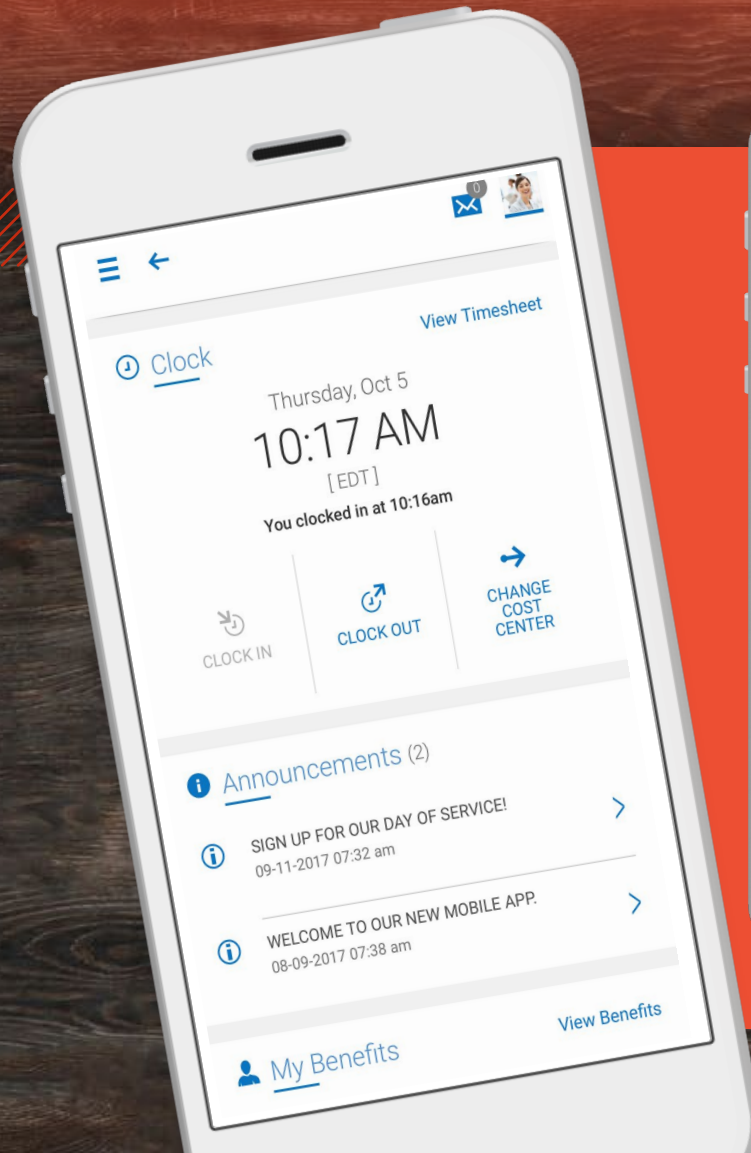

Disparate systems and inefficient time and attendance, and data collection processes, can slow growth and frustrate employees. Integrating these processes can **boost employee productivity** while providing **real-time insight into labor data** to help control costs and reduce compliance risk.

Your Colors Here!

Mobile Time and Attendance

Mobile accessibility gives employees immediate access to their HR, schedule, and pay data. Employees can punch in and out with GPS coordinates, change cost centers/labor transfer, submit timesheets, and view their schedules, time-off and leave-of-absence calendars, accrual balances, and pay statements real-time.

Users can easily **complete common tasks** on their mobile device of choice while maintaining productivity and functionality across the entire workforce management spectrum — from time and labor management to HR and payroll — all while incorporating on-the-go access to features ideal for out-of-office use.

Absence & Leave

Control and Mitigate Employee Absenteeism

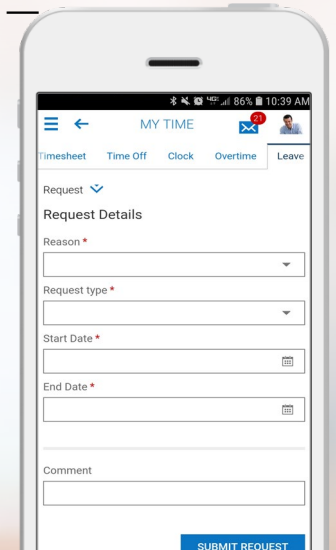

Entitlement

ENTITLEMENT		AS OF	TAKEN	AS OF	BALANCE
Military	12.0 weeks	10/31/2018	56.0 weeks	01/21/2014	-44.0 weeks
Medical	480.0 hours	01/26/2017	24.0 hours	11/02/2016	456.0 hours
Non-Medical	0.0 hours		0.0 hours	11/02/2016	0.0 hours

Prevent ineligible or unauthorized time off. Every leave case is automatically tracked for time and eligibility, with **notifications** that allow managers to control the potentially high cost of absence.

Employee visibility and self-service capabilities are bolstered through request initiations, leave eligibility, and balance tracking — all available anytime, anywhere with the mobile app.

Employee absence can have an enormous impact on your organization affecting costs, productivity and even morale. Consistent absence and leave policy enforcement **eliminates risk** for litigation and non-compliance with local, state, federal, and organizational policies and regulations.

REQUEST	

With one-stop access to detailed accrual information **managers can make fast, informed decisions** that effectively balance employee requests with coverage requirements.

Employees can check their accrual balances on various devices to make sure they have earned time off available before making a request.

Tracking time-off accruals manually can be a tedious and error-prone process. Automation eliminates manual errors; supports fair policy enforcement; and **gives employees and managers instant visibility** into current status to streamline time-off requests and approvals.

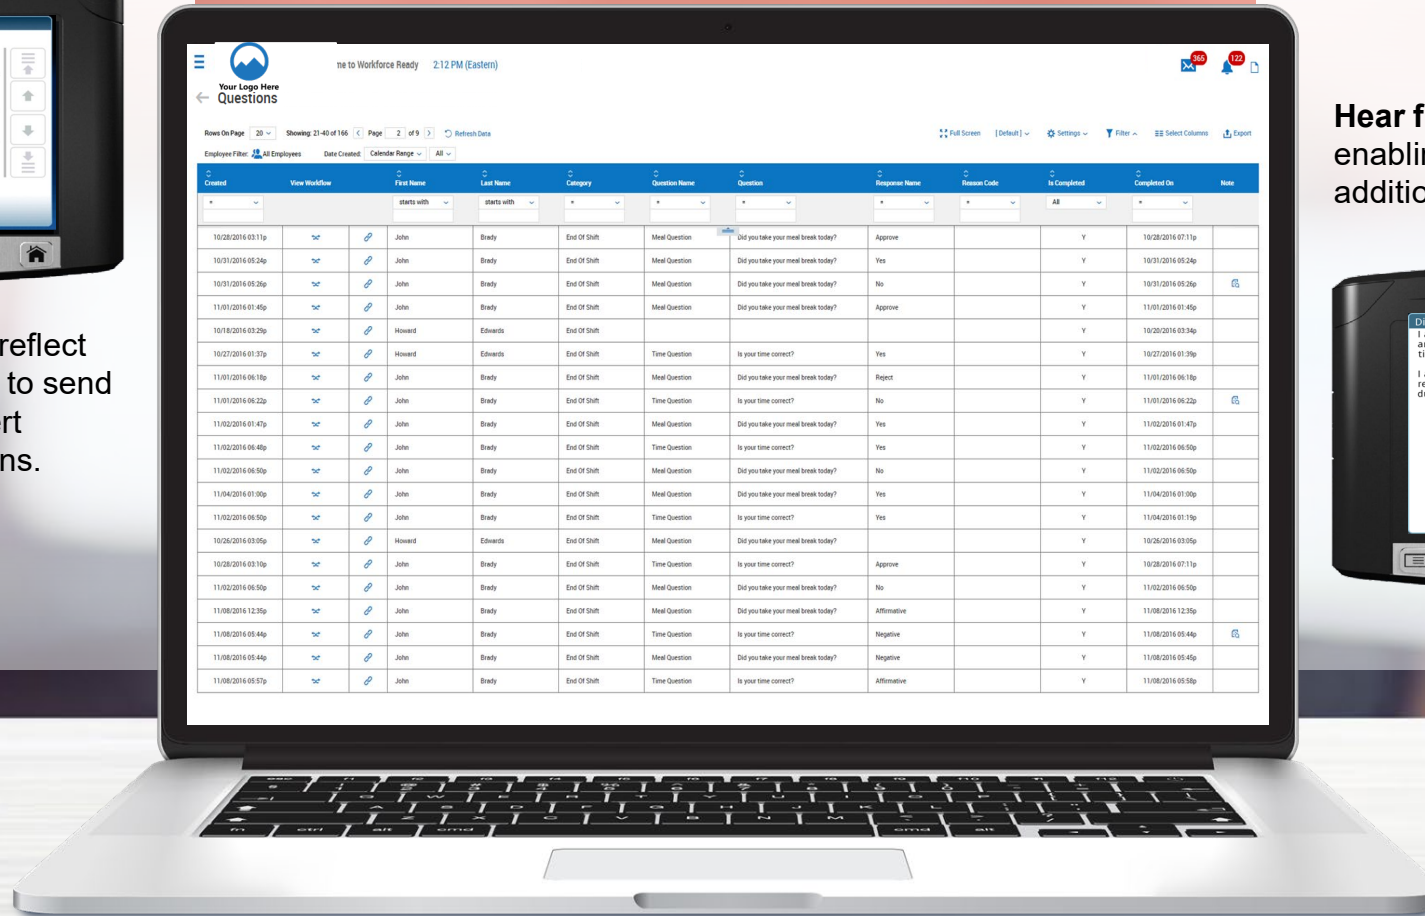

Your Colors Here!

Attestation

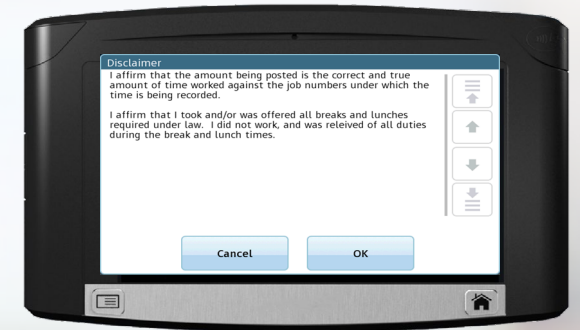

Drive Engagement and Compliance with Flexible Attestation Tools

Easily customize prompts to reflect applicable laws and policies, or to send automated notifications that alert employees of missed attestations.

Hear from your employees by enabling them to enter comments or additional details as needed.

As labor laws become increasingly complex and require documented proof of compliance, accurate time and labor management is more critical than ever. Simplify and streamline adherence with state, local, union, and other policies to **minimize compliance risk.**

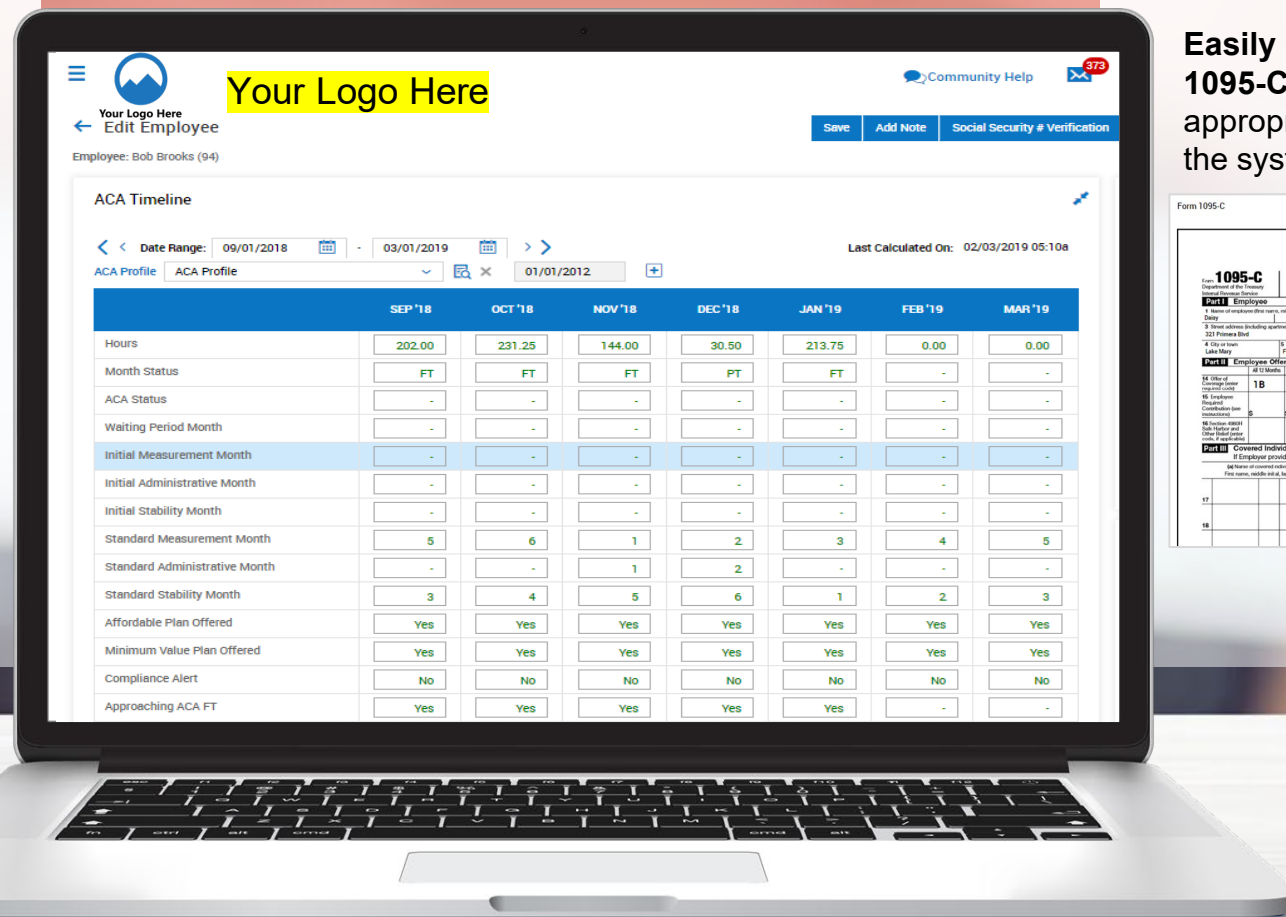

Your Colors Here!

ACA Manager

A Proactive Solution for ACA
Compliance Strategy Across the Entire Workforce

With a **single record for each employee**, you can streamline and automate the benefits enrollment process as they reach eligibility.

Easily populate IRS forms like the 1095-C and 1094-C with the appropriate information right within the system.

The screenshot shows the Form 1095-C, Employee-Provided Health Insurance Offer and Coverage. The form is divided into several sections, including 'Part I Employee' and 'Part II Covered Individuals'. The 'Part I Employee' section contains fields for the employee's name, address, and other identifying information. The 'Part II Covered Individuals' section includes a table for reporting coverage for each individual covered by the employer's health plan.

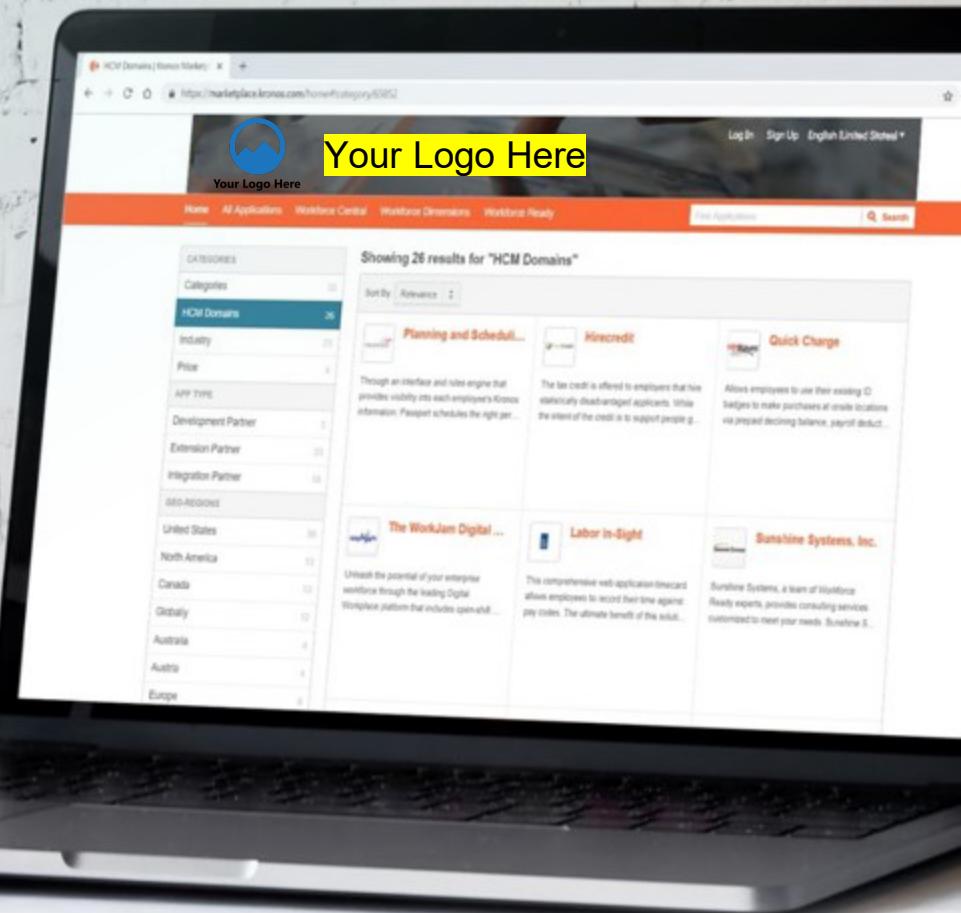

Providing the tools to **effectively manage regular and variable hour employees' benefits** to **minimize compliance risk**. The ACA manager is equipped with all the applicable reporting capabilities to comply with the IRS requirements.
